

# Vision 2047

*(Towards Excellence, Innovation, and Nation Building)*

## Institutional Vision 2047

In alignment with the national vision of **Viksit Bharat @2047**, the institution envisions transforming itself into a **globally recognized center of excellence** in education, research, innovation, and societal development by the year **2047**, contributing meaningfully to nation building and sustainable growth.

---

## Key Pillars of Vision 2047

### 1. Academic Excellence

- Deliver **outcome-based, learner-centric education** aligned with global standards
  - Foster interdisciplinary and multidisciplinary learning
  - Continuously update curriculum to meet emerging industry and societal needs
- 

### 2. Research, Innovation & Entrepreneurship

- Establish a strong **research and innovation ecosystem**
  - Promote cutting-edge research, patents, and technology transfer
  - Encourage startups, incubation, and entrepreneurship among students and faculty
- 

### 3. Digital Transformation

- Leverage advanced digital technologies, AI, and data-driven systems
  - Strengthen e-learning, virtual laboratories, and smart campus initiatives
  - Ensure digital inclusiveness and accessibility
- 

### 4. Student-Centric Development

- Nurture students as **competent professionals, ethical leaders, and responsible citizens**
  - Enhance employability through skill development, internships, and global exposure
  - Promote holistic development through co-curricular and extracurricular activities
-

## 5. Faculty Empowerment

- Attract, retain, and develop highly qualified and motivated faculty
  - Support continuous professional development and research excellence
  - Foster a culture of collaboration, innovation, and leadership
- 

## 6. Industry, Community & Global Engagement

- Strengthen industry–academia partnerships
  - Expand international collaborations and exchange programs
  - Promote community engagement, social responsibility, and sustainable development
- 

## 7. Governance, Leadership & Quality Assurance

- Adopt transparent, participatory, and technology-enabled governance
  - Strengthen **IQAC-led Continuous Quality Improvement (CQI)** mechanisms
  - Ensure compliance with NAAC, NBA, and other regulatory frameworks
- 

## 8. Sustainability & Institutional Values

- Promote environmental sustainability and green practices
  - Uphold ethics, integrity, inclusiveness, and gender equity
  - Contribute to national priorities and Sustainable Development Goals (SDGs)
- 

## Implementation & Monitoring

- Vision 2047 will be implemented through **strategic plans, annual action plans, and measurable performance indicators**
  - Progress will be periodically reviewed by **Management, IQAC, and statutory bodies**
  - Stakeholder feedback will guide continuous refinement and improvement
- 

## Commitment

The institution is committed to realizing **Vision 2047** through collective effort, innovation, and excellence, preparing future generations to lead with knowledge, skills, values, and social responsibility.
